Fact sheet 2023-2024

01 About us

Our school

Created in 1969, ESC Pau Business School is an independent Grande Ecole of management, member of the Conférence des Grandes Ecoles. It delivers degrees ranging from Bachelor to Master. The Bachelor "Business Developer" and the "Master Grande Ecole" are accredited by the French Ministry of Higher Education and **EFMD**. ESC Pau Business School has been awarded the "**Bienvenue en France**" label issued by Campus France. It recognises the welcoming process quality of our institution.

Our pedagogy

ESC Pau Business School has developed an original and unique pedagogical concept called "**For Tomorrowers®**" based on learning through experimentation and coaching. Students learn how to anticipate changes, how to adapt to social-economic mutations and to solve complex problems. The mission of the ESC Pau Business School is to train individuals with a **positive impact** on business, organisations and territories thanks to the principles and values of the **circular economy**.

MANIFESTO

FOR TOMORROWERS®

I LEARN CONTINUOUSLY, MY SUCCESSES AND MY FAILURES MAKE ME STRONGER, IN THE FACE OF ADVERSITY I DEMONSTRATE CREATIVITY AND DETERMINATION

I AM A TOMORROWER, THE ENTREPRENEUR OF MY OWN LIFE.

I KNOW HOW TO LEAVE MY COMFORT ZONE AND WORK IN UNCERTAIN CONTEXTS

I AM NOT FORMATTED AND DO NOT SEEK TO REPRODUCE THE LINEAR PATTERNS OF THE PAST BUT TO CO-CREATE NEW VIRTUOUS MODELS

I ADOPT THE CIRCULAR ECONOMY AS A SUSTAINABLE AND PROFITABLE APPROACH TO THE COMPLEXITY OF TOMORROW'S WORLD

I AM A TOMORROWER, MY UNIQUENESS IS MY STRENGTH

I THINK THAT EVERYTHING IS POSSIBLE, OR ALMOST, BECAUSE I LIVE AND SHARE WITH OTHERS BY MAKING MY CONTRIBUTION TO BUILD A BETTER WORLD

I HAVE LEARNED THROUGH EXPERIENCE AND PRACTICE: THE VALUE OF THE KNOWLEDGE ACQUIRED IS NOTHING COMPARED TO MY ABILITY TO ACQUIRE NEW KNOWLEDGE

I AM ENTHUSIASTICALLY BUILDING THE FUTURE I HAVE CHOSEN AND WILL SEIZE THE MANY OPPORTUNITIES THAT WILL ALLOW ME TO GET THERE

I CAN COLLABORATE AND WORK AS A DIGITAL NOMAD

Academic regulations

Students cannot mix courses from different programmes due to timetable collisions.

According to the academic regulations of ESC Pau Business School, **an average of 10 out of 20** is the pass grade.

Courses can be evaluated in different ways (final exam and/or continuous assessment)

Resit exams are organized at the end of the exchange period.

Students are able to download their transcripts of records from their ESC Pau Business School intranet within 2 months after the end of the semester.

Certified copies can be sent to local coordinators upon request.

04 Key information

Find an accommodation

Students have the possibility to be housed in an apartment through **ESC Pau Business School own platform**. Login and password are sent once their application is validated.

Depending on availabilities, the international office manages limited offers in public student residences but does not guaranty the type of housing.

Health insurance

A proof of health insurance covering **medical, hospital, accident** and **repatriation** expenses will be requested to all students.

- European students:
--> European Health Insurance Card + repatriation insurance (not covered by EHIC)
- Non-European students:
--> private health insurance certificate for the whole stay abroad

Other mandatory insurances

All students are requested to subscribe to compulsory insurance policies:

- **housing insurance** for covering your accommodation against theft and other damage that you may cause or suffer
- **civil liability insurance**, called in France "Responsabilité civile", indispensable for damage that you may unintentionally cause to third parties in your private life.

ESC Pau Business School advices students for subscription.
