

Steps to enrol in a Master study programme

Congratulations on your notification of admission! Follow the two steps listed below to enrol as a student at Göttingen University.

1. Declare your acceptance of the seat by 31 January 2026
2. Enrol online via the enrolment portal and transfer the semester fee by 30 September 2026

1. Deadline 31 January 2026: declare your acceptance of the seat!

Please declare your acceptance of the seat offered to you (see point 2 in your notification of admission) via **email** to masterbewerbung@sowi.uni-goettingen.de. Make sure to include your registration number and your subject of study! Deadline is 31 January 2026.

Without a declaration of acceptance before the deadline, the admission will be withdrawn. Please note that a timely and prompt transmission of acceptance ensures that all offers of admission and enrolment procedures can be managed.

2. Deadline 30 September 2026: Enrol online via the enrolment portal and transfer the semester fee!

Follow the steps for online enrolment in the enrolment portal (<https://immatrikulation.zvw.uni-goettingen.de/masterergaenzung>). You can change the language to English with the button in the bottom right corner. Log in with your registration number and the password that you received by e-mail when you applied. If you have forgotten your password, please use the following link to generate a new password: <https://masterportale.uni-goettingen.de/sowi/en>.

There are **three things** you need to do:

1. **Enter all the required information** in the enrolment portal.
2. **Upload the required documents** in the upload section of the enrolment portal (<https://upload2.uni-goettingen.de>). Access is granted with your registration number and password). The required documents are:
 - a) Proof of statutory health insurance from your health insurance company OR proof of an exemption from statutory health insurance
 - b) Proof of study time, i.e. proof of semesters already studied at other German universities (subject, university and holiday semesters)

c) Proof of language proficiency (if applicable, more information can be found here: <https://www.uni-goettingen.de/en/150727.html>), which needs to be submitted by 30 September 2026 (at the latest)

Note: Only students who are already enrolled in another study programme at Göttingen University and have received admission to the MA programme Modern Indian Studies need to apply for a change in the course of study under the document type "Studiengangwechsel". Please note that if the document type is incorrectly selected, further processing of the application will not be possible automatically.

3. **Transfer the [semester fee](#)** to the university by 30 September 2026. Make sure to:

- a) give the "**Bewerbernummer**" (see point 3 in your notification of admission) when you complete the transfer and
- b) tick the box that the transfer fee is to be deducted from your account and not from the semester fee.

Your enrolment can only be finalised once your payment has been received.

Once you have completed all steps, the Student Office of the Georg-August-Universität Göttingen will process your enrolment application and will notify you once you are enrolled.

Congratulations! You are now a student of Göttingen University!
