

INTERNSHIP

LOCALITÀ IL PIANO VALLO DI NERA, IT

Località il Piano is a **family-run teaching farm** dedicated to sharing our vision of **sustainable agriculture**.

As an intern, you will experience the day-to-day life at our farm. Your tasks will include: **harvesting** produce of all kinds (about 100 different fruit, herb, berry, veg crops), **animal feeding/watering**, checking and repairing irrigation systems, seeding and transplanting, pruning, mulching, weeding, propagating plants

Fresh farm food and accomodation will be provided for you. We are looking for someone **motivated, hardworking, helpful and with a very strong desire to learn**. More information about ourselves, the farm and the internship opportunities can be found on our website.
